<sup>1</sup> Supplemental Information Report containing updated information was filed on January 2, 2020.

The magistrate judge filed a report and recommendation on January 10, 2020, in which the magistrate judge recommended that the Court find that the defendant has violated the conditions of his supervised release.

A final supervised release violation hearing was conducted on February 12, 2020. Defendant Eric R. Ramey was present and represented by Attorney Carlos Warner. The United States was represented by Assistant United States Attorney Peter E. Daly. United States Probation Officer Ashley Frank was also present at the hearing.

No objections were filed to the report and recommendation of the magistrate judge. Upon review, the Court adopts the report and recommendation of the magistrate judge and finds the defendant to be in violation of the terms and conditions of his supervised release.

IT IS ORDERED that the defendant's term of supervised release is revoked and the defendant is sentenced to the custody of the Bureau of Prisons for a period of 24 months, to run consecutive to his undischarged state court sentences. He should be given credit for time served to date. The defendant shall pay to the United States a \$200.00 special assessment (which currently carries a balance of \$125.00). The special assessment is due and payable immediately.

The Court recommends that the defendant be placed at FCI Elkton; that he receive substance abuse treatment; and that he receive mental health counseling. The defendant shall pay restitution in the amount of \$219.00 to the victims, through the Clerk of the U.S. District Court. Restitution is due and payable immediately.

The defendant shall pay 25% of defendant's gross income per month, through the Federal Bureau of Prisons Inmate Financial Responsibility Program.

If a restitution balance remains upon release from imprisonment, the matter is referred to the Financial Litigation Unit of the United States Attorney's Office for the Northern District of Ohio.

Notwithstanding establishment of a payment schedule, nothing shall prohibit the United States from executing or levying upon property of the defendant discovered before and after the date of this order.

The Court waives the interest requirement in this case.

No Supervised Release to follow.
